

Information

till dig som är hyresgäst

Improved indoor climate and heating

Within short we will address the issues with leaks that we have had recently. This will improve the indoor climate, as well as the heating in your apartment. Please make sure to move furniture placed close to your radiators in time for the work that will start on April XX at 07.30 (Terapivägen 8A). Also make sure to read this information carefully.

We need access to your apartment in order to replace your radiators, install new heating pipes and clean the ventilation equipment.

- **On April XX at 07:30-16:00 you need to place your key in the tube, or be at home.** This is when we will install the electronic lock on your door. Read more about this in Info 2.
- Information on measures to be carried out in your apartment: to be found in Info 3.
- It is very important that no furniture or other things are placed close to the radiators. More information about this in Info 4.
- Unfortunately noise might occur during the work when drilling holes for the pipes.
- Our partner will use electricity in your apartment for the work to be carried out. This will be covered by Huga and deducted on your rent.
- Our partner will clean up the work area after each day's work.

Please note that if Huga Bostäder is not allowed access to your apartment at the above mentioned date and time, you will be charged the cost for the rescheduling of this installation.

Sincerely,

Precautions to avoid spreading of the Corona virus

Huge Bostäder and our partners strictly follow the recommendations made by the Swedish Health Authority (Folkhälsomyndigheten) to avoid spreading of the Corona virus. This means that our staff as well as the partners we work together with will stay at home if they are ill or have cold symptoms. Furthermore we make sure to wash our hands and keep the physical distance to each other and our tenants during the visit.

We ask you to please follow our routines when we visit your apartment to carry out work. In order not to spread the Corona virus we do not visit tenants who are ill or who have cold symptoms. If you need to reschedule our appointment, please contact the Huge customer support on 08-502 360 10.
